

IMPORTANT SAFETY PRECAUTIONS

Before you begin, read these instructions completely and carefully.

- Be certain electrical power is OFF before and during installation, maintenance and removal.
- Luminaire wiring must be properly grounded in accordance with the NEC and any applicable local code requirements.
- Use only UL or IEC approved wire for input/output connections.
- Verify that supply voltage matches voltage on luminaire label. Installation to any other connection may void the warranty.
- Wear gloves during installation to prevent injury and do not expose wiring to metal or sharp edges.
- Do not install in areas subject to combustible vapors or gases. Verify luminaire location ratings are suitable for installation environment (refer to specification sheet as needed).
- Do not restrict luminaire's ventilation by covering with material that will cause luminaire to overheat and potentially shorten the life span.
- Ensure LED luminaire has the correct polarity before installation.

WARNING: To reduce the risk of personal injury or property damage from fire, electrical shock, falling parts, abrasions, burns and all other hazards, read all provided warnings and follow installation instructions.

This product should be installed, inspected and maintained by a qualified and licensed electrician. Installation of luminaire must be in accordance with NEC and local code requirements.

INSTALLATION INSTRUCTIONS

1) Attach the Mounting Bar [H] to the junction box using junction box screws [J].

2) Loosen the screw [L] to adjust the length of the cord. Then adjust the cord through the buckle [R] accordingly.

3) Make wiring connections.

4) Place the Canopy [C] of Lighting Fixture [A] onto the Mounting Bar [H], and secure with Finials [K].

5) Install Bulb [B]. (Bulb Included)

6) Install the Crystal [C] into Lighting Fixture [A]. Secure two Allen Head Screws [N] via Allen Wrench [D] through the Lighting Fixture [A] and make sure to screw into the notches on the Inner Crystal [C].

7) Slide the Clear Glass [E] over the Crystal [C]. Attach the Threaded Rods [F].

8) Installation complete.
