WPFCA Wall Pack Full Cutoff Adjustable LED

WPFCA Wall Pack Full Cutoff Adjustable LED delivers precision lighting with a sleek, dark bronze die-cast aluminum housing built for durability in harsh outdoor environments. Featuring 3 selectable CCTs (3000K/4000K/5000K), multiple wattage settings, and a 0–45° adjustable beam angle, it offers maximum flexibility for site and security lighting. An integral photocell, 0–10V dimming, and built-in surge protection ensure reliable, energy-efficient performance, replacing up to 200W metal halide fixtures with ease. UL Listed, DLC 5.1 Premium, and backed by a 5-year limited warranty for lasting value.

PHYSICAL

Material	Die-Cast Aluminum
Mounting	Wall Mount
Finish	Dark Bronze
Carbon QTY	2

PERFORMANCE

Warranty	5 years
Certifications	UL, DLC 5.1 Premium, Wet Location
Rated Life	L70 > 50,000 hours
CCT	3000K/4000K/5000K
CRI	>70
Tilt Angle	0° to 45°
Delivered Lumens	FS1: 1200-3750, FS2: 4500-9000
Replaces	Up to 200W Metal Halide

ENERGY CHART

SIZE	WIDTH	HEIGHT	DEPTH	DELIVERED LUMENS	WATTAGE	EFFICACY
FS1	10.7	8.9	4.4	1200	8	150
				2500	15	150
				3750	25	150
				4500	30	150
FS2	10.7	8.9	4.4	4500	30	150
				6000	40	150
				7500	56	150
				9000	60	150

ELECTRICAL

Wattage	FS1: 8W/15W/25W/30W, FS2: 30W/40W/50W/60W
Voltage	120-277V
Dimmable	0-10V
Surge Protection	2.5kV
